

REFERENCE LETTER

We have been working with Nautech Group on several projects and I would like to thank the Team for their very professional behaviour.

All jobs have been performed in the efficient and professional way and the cooperation between YPI and Nautech has been very positive.

The works have been made within the contracted time and on budget despite multiple unforeseen issues.

The final result shows the quality of the work was excellent and to the highest yachting standards.

Taking into consideration above, we can recommend Nautech Group for performing of repairs of Yachts and Mega yachts.

Sincerely,

YACHTING PARTNERS INTERNATIONAL SAM
